

STEEL AUTHORITY OF INDIA LIMITED
(A Govt. of India Public Sector Undertaking)

Recruitment of Management Trainees (Technical) in SAIL

Advt. No. HR/REC/C-97/MTT/2025

SAIL, a **Maharatna CPSE**, is a major **Steelmaker of the Nation** with an Annual Turnover of more than ₹ 1 Lakh Crore (FY 24-25). To man the critical front-line positions at its Steel Plants/Units & Mines across India, SAIL requires 124 young, energetic, result oriented and promising talent to join as Management Trainee (Technical) in E1 grade in various Engineering disciplines. **SALARY: Rs. 16-17 LPA**

Eligible candidates interested in applying for the post of Management Trainee (Technical) in SAIL will be required to appear for an Online Examination – Computer Based Test (CBT). Based on their performance in the Online Examination, the candidates will be shortlisted for appearing in the Group Discussion and Personal Interview. The selection for the post will be based on overall performance in the Online Examination (CBT), Group Discussion and Interview.

The detailed advertisement in this respect mentioning inter-alia, the number of posts, eligibility conditions, selection procedure, application process etc. is available on SAIL's Careers page at www.sail.co.in and shall also be published in Employment News/Rozgar Samachar. The candidates would need to apply online along with their relevant details by visiting SAIL's Careers page at www.sail.co.in
