From the Desk of Vice-Chancellor

I am delighted to present our University to you and welcome you to be involved in the progress of the university as its stakeholders. I also take this opportunity to invite all those who aspire for true learning and quality education to Doctor Harisingh Gour Vishwavidyalaya, Sagar, a seat of learning established as a University in Madhya Pradesh in 1946 with a campus spread over about 1300 acres. It was upgraded to a Central University on 15th January 2009 and was accredited 'A+' Grade (3.38 score) by NAAC in the Fourth cycle.

The University offers multidisciplinary academic programs at undergraduate, postgraduate and doctoral levels through its 11 Schools with sound infrastructure and innovative approach for teaching. The University has well equipped laboratories with modern and sophisticated instruments to encourage quality research. Most of the Departments have project funds from UGC, DST, ICMR, MPCST and other national agencies. Some are also recognized centers of the UGC and DST under the DRS, PURSE and FIST programmes. Under GIAN scheme, eminent academicians are invited from abroad to acquaint the students with the latest developments in their respective fields. The implementation of CBCS (Choice Based Credit System) enables the students to have access to the latest pattern of teaching and learning. The Department of Physical Education and the Department of Fine Arts & Performing Arts provide hands-on sports training activities and cultural activities respectively to the students. For an all-round development of students, sports and cultural activities are assigned to a specific time schedule in the academic calendar. Students regularly represent the University at national level competitions and win laurels.

Besides the departmental libraries, the University has a Central Library with approximately four lakh books, e-books and e-journals. Under the INFLIBNET and DELNET programmes, the students and faculty can access valuable sources of literature. The University campus is Wi-Fi enabled.

There are separate hostels within the campus for boys and girls pursuing various programmes upto doctoral level to provide a safe and congenial Gurukul-like environment of learning. In addition, facilities like stadium, gymnasiums, sports complex, playgrounds and open-air theatre are also available to cater to the extra-curricular requirements of the students.

The University has an adequate number of competent, dedicated and trained faculty members to enhance the knowledge of the students. The courses are well designed and suited to the present day demands. The faculty is involved in developing innovative methods of teaching and learning with the help of an in-campus Educational Multi-Media Research Centre (EMMRC). Under the aegis of the UGC, New Delhi, the Malaviya Mission Teacher Training Center (Formally UGC-Human Resource Development Centre) conducts orientation and refresher programs for the faculty. Recently, a Day care centre is established in the university campus.

To create high-quality academic ambience and to motivate and enthuse our students towards perfection in their academic endeavors, we offer meticulously designed and diverse curricula as well as optional courses at graduate, postgraduate and doctorate levels. Besides, the University has an Institute of Distance Education (IDE) enabling our students to pursue PG Diploma courses with regular PG/Ph.D. programmes to enhance their employability. B.Tech. programmes are also being offered under Institute of Engineering and Technology.

The University is proud of the numerous academicians, administrators, judges, philosophers, writers, poets, critics and artists who have brought laurels to their Alma Mater in the last seven decades.

We are committed to promote academic excellence and socially relevant education in consonance with the goal to achieve contemporary standards of learning. We look for brilliant and hardworking students for fulfilling our objectives of attaining heights of excellence in the field of knowledge.

I invite you to join hands in Bharat Nation building.

Best wishes!

(Prof. Neelima Gupta)
Vice-Chancellor

University at a Glance

The founder and mentor Sir Doctor Harisingh Gour desired to establish an educational institution to provide the opportunity of higher learning for a rural and deprived population of Central India. He was inspired by Cambridge and Oxford Universities as the models. The University of Saugar, later renamed as Doctor Harisingh Gour Vishwavidyalaya in February 1983, was established on July 18, 1946 by him out of his lifelong earnings. The University was the sixteenth university in the country and the first in the State of Madhya Pradesh at that time. The University was upgraded as Central University on January 15, 2009, by the Central Universities Act, 2009. The President of India is the Visitor of the University.

The University campus is spread over an area of about 1300 acres, surrounded by lush green forests, and is situated in the natural and eco-friendly environment. The University provides a congenial academic atmosphere to the learners to nurture their potential for excellence. There are **38** independent teaching departments in the University, some of them are recognized centers of the UGC and DST under the DRS, PURSE and FIST programmes. There are four hostels for boys and four for girls. Residential facilities are available for teachers and officials of the University. Our first Prime Minister Pt. Jawaharlal Nehru laid the 'foundation stone' of the University Library in 1952 which is named after him.

The University has adopted 'School of Study' system for promoting intra and inter school academic programmes. Eleven schools were established under the new system which offers courses ranging from Physical Sciences to Applied Sciences and Technology, Law, Business Management, Applied Geology, Pharmaceutical Sciences, Humanities, Arts & Information Science, Social Sciences, and Music & Performing Arts.

The University has well qualified and experienced faculties, who are continuously engaged in providing quality teaching and research to the knowledge-seeking young scholars. Some of the faculties have the experience of working in Internationally renowned educational institutes.

The Banking, Postal, Health & Sanitation and Cafeteria services are available at the University premises. There is an auditorium for indoor games and a playground for outdoor games as well as a well-equipped and furnished *Golden Jubilee Hall* with a seating capacity of 750 to facilitate the cultural and academic activities.

The University has various centers for developmental activities such as UGC- Malaviya Mission Teacher Training Center (Formally UGC-Human Resource Development Centre), Center for Advance Research (CAR), Institute of Distance Education, Study centre of Indira Gandhi National Open University (IGNOU), Educational Multi-Media Research Centre (EMMRC), Teaching and Learning Centre (TLC), Remedial Coaching centre, Community College, Population Research Centre (PRC) of Ministry of Health and Family Welfare and Manuscript logy Research Centre of the Ministry of Culture, Government of India.

Academic Departments, Hostels and Libraries are well equipped with Wi-Fi through National Knowledge Network (NKN) and e-resources are accessible through Wi-Fi. The Integrated University Management Systems (IUMS) and Learning Management Systems (LMS) are available for providing all the possible online facilities.

Centre for Advanced Research (CAR)

CAR aims to support and strengthen the scientific research and teaching by providing state-of-the-art instrumentation and expertise in applications of high-end sophisticated instruments to the researchers and students of university and other institutions. The CAR at the Dr. Harisingh Gour Vishwavidyalaya, Sagar is equipped with Nuclear Magnetic Resonance Spectrometer, Single Crystal X-Ray Diffraction, Powder XRD, LC-Mass Spectrometer, Scanning and Transmission Electron Microscope, Nanospray Drier, Particle Size Analyzer, Q-PCR and many more such instruments to facilitate our goal.

This facility was developed with support from UGC, New Delhi, and the DST-PURSE scheme. It is proudly associated with the ambitious i-STEM scheme (Indian Science, Technology and Engineering Facilities Map) of the Government of India (<https://www.istem.gov.in>) to ensure Optimal Usage of R&D Resources. Since its inception in 2014, a number of high-impact research publications have been published with the help of instruments available at CAR. All the scientists, research scholars and students who wish to utilize these facilities for analyzing their samples and producing high level publications are invited.

About National Testing Agency (NTA)

The Ministry of Education (MoE), Government of India (GoI) has established the National Testing Agency (NTA) as an independent, autonomous, and self-sustained premier testing organization under the Societies Registration Act, 1860, for conducting efficient, transparent and international standards tests in order to assess the competency of candidates for admissions to premier higher education institutions. The National Testing Agency (NTA) has assigned the task of conducting the Common University Entrance Test (CUET-PG) for all postgraduate programmes and few selected undergraduate programmes (B.Lib.I.Sc. and LL.B.) for academic session 2025-26 for the Central Universities.

The role, function and duties of NTA is confined to registration of desirous applicants for the exam, admitting them to the exam, conducting the exam all India level in the prescribed mode, display of answer keys and inviting challenges, finalizing the answer keys, processing the results and handing over the results to Dr. Harisingh Gour Vishwavidyalaya, Sagar (M.P.).

Admission to Postgraduate (PG) and Selected Undergraduate (UG) Programmes (2025-26)

Admissions in various PG programmes and selected UG programmes (including B.Lib.I.Sc. and LL.B.) will be given to the candidates according to the merit in **Common University Entrance Test – PG (CUET-PG) 2025**, conducted by National Testing Agency, followed by their verification of eligibility in the respective programme through counselling to be made by the Vishwavidyalaya. The weightage of NCC, NSS and others (if any allowed) shall be added in the preparation of final merit of applicants to provide admission through counselling.

Candidates having supplementary/ATKT/backlog in any annual/semester examination at the time of counselling shall not be granted admission. Provisional admission shall be given only to those students who have appeared in the final year/semester examination of the qualifying examination and their result is awaited. The admission of such students shall be purely provisional and they will have to submit their result latest by **31 October, 2025 (tentative)**, failing which their provisional admission will automatically stand cancelled and fee paid by them shall stand forfeited. No representation in this regard shall be entertained at any level. To strengthen the spirit of quality in higher education, the Vishwavidyalaya reserves the right to decide the minimum cut-off marks to qualify based on NTA scores.

June 7, 2024/ 17 ज्येष्ठ, 1946

Subject: Standard Operating Procedures (SOP) for Central Universities to fill up their vacant seats-reg.

महोदया/ महोदय,

It has come to the notice of UGC that a good number of seats at times remain vacant even after three or four rounds of counselling in some of the Central Universities and their constituent/affiliated colleges. To keep the seats vacant for an entire academic year is not only a waste of resources but also results in denial of quality higher education to many students who aspire to pursue higher studies in Central Universities. University Grants Commission in its 572nd Meeting, held on 20th September 2023 approved a set of Standard Operating Procedures (SOP) to facilitate the Central Universities to fill up their vacant seats. SOPs are enclosed herewith for appropriate action at your end.

It may also be pertinent to mention here that CUET scores will remain the primary criteria for admitting students. In fact, UGC has already written to all the Central Universities to admit students through CUET.

The Vice-Chancellors of all Central Universities

Standard Operating Procedures (SOP) for Central Universities to fill up their vacant seats

It has come to the notice of UGC that seats remain vacant in some of the Central Universities even after three or four rounds of counselling. To keep the seats vacant for an entire academic year is not only a waste of resources but also results in denial of quality higher education to many students who aspire to pursue higher studies in Central Universities. Hence, in order to facilitate the Central Universities to fill up their vacant seats, the following SOPs have been formulated with the approval of the Commission:

- CUET scores will remain the primary criteria for admitting students.
- However, students who appeared in CUET, but may or may not have applied to the respective University for the courses/programmes earlier may also be considered.
- Further, students who appeared in CUET may be considered irrespective of the domain subject papers in which they appeared. Here, the University may relax the domain subject-specific criteria for admission to a particular course/programme.
- In case, seats still remain vacant even after exhausting the list of applicants who appeared in CUET, the Universities may take recourse to the following:
 1. The University may consider conducting an entrance examination at its own level or the concerned department of the University may conduct a screening test.
 2. The University may admit students on the basis of marks obtained in the qualifying examination.
- The entire admission process has to be based on merit and transparency.
- Further, the reservation roster shall apply for admission to courses/programmes in all cases.
- The Universities will ensure timely completion of the entire admission process so that no student faces any kind of academic loss.
